### Prince Castle 14 Second Vertical Contact Toaster 297-T14FGB

1380 buns per hour. 14 second toaster. Code : 297-T14FGB **View Product** 

# Improve your toasting quality and efficiency with the Prince Castle 297-T14FGB vertical contact toaster!

With an adjustable thermostat, this toaster can accommodate a variety of bread and bakery products while giving you more control over toasting options. The unique two-level design also allows you to toast bun crowns and heels at the same time, allowing you to prep and serve food and most importantly burgers, faster. Plus, with a 14-second toasting time and a maximum output of 1440 buns an hour, this unit is sure to stand up under heavy commercial use.
