- **2 IN 1 DESIGN:** Serves both as a fire pit and an outdoor dining table with a lid that can cover the firepit top to create a convenient tabletop. Made from metal construction which simulates rattan stripes pattern simple yet elegant
- **50000 BTU BURNER:** The stainless steel burner provides a continuous source of warmth and the pulse ignition system starts and adjusts flame easily (AAA Battery required). This gas fire pit for garden is made from a solid metal body for strength and stability
- **GAS-POWERED:** Our table top fire pit uses a standard propane tank intake that easily installs into the base of the garden fire table. The outdoor fire pit features a door in the base to store a propane tank and keep it out of sight
- **GLASS SCREEN:** Transparent glass beads look eye-catching when the flames are on. When it's windy glass wind guard helps to keep the beautiful flame and warm atmosphere
- **PRODUCT DETAILS:** 81.5L x 81.5W x 65.5H cm Weight Capacity: 50 kg. Regulator and hose Included but the tank is NOT included. Assembly required
