- **Portable & pop-up:** Our garden gazebo offers ample space a quick setup and a convenient way to carry it away. Just expand the frame add the cover & click its legs in place and latch the side. It's a fast and easy option for almost instant shade and comfort. Wheel it where you want it; the carrying bag fits in the car's boot and lets you bring it camping cookouts or backyard barbeques.
- **A wall design:** The camping gazebo is a mix of an open and closed design - creating a safe shelter that doesn't feel too cramped with all your guests standing.
- **Custom height canopy:** Easily customize the height of your garden shelter to fit the occasion. Our garden tent has height-adjustable legs that lock in place at the push of a button. Raise or lower your pop-up canopy between three height settings: 284/274/264cm.
- **Sturdy & stable:** Included guy ropes and ground stakes to help your canopy tent resist the wind. Its frame is made of powder-coated steel resistant to rust chipping and peeling.
- **Overall dimensions:** 284H x 300L x 300Wcm. Folded size: 126H x 19L x 19W cm. NEVER leave your shelter unattended; take it down before a major storm rolls through. Always use your pop-up gazebo's included stakes and the guy ropes.
