- Overhanging design two-tier fabric canopy: Stand this cantilever parasol to the side of your garden seating and dining sets - won't get in the way. Top tier allows air to pass through gently - help avoid canopy turning inside out.
- Four-position tilting canopy: Set the garden parasol canopy to different angles - keep protected a way you want. Crank handle to open/close garden umbrella easily.
- 360° movement: Foot pedal moves outdoor parasol canopy to whatever position you want. Easy to control and move.
- Aluminium frame: A strong core for this garden umbrella parasol with metal ribs connecting to the canopy for extra support.
- Dimensions: 294 x 248Hcm. Cross base included - weights are not. Do not in heavy/harsh weather conditions.
