A genuine Waring Commercial product, the SE1000 sound enclosure helps you to reduce the noise made by your blender to allow use in front of house areas.

Easy to install, the sound enclosure is made from strong polycarbonate and only covers the blending jug - ensuring access to the blender controls during use.

- For use with Waring Xtreme MX blenders with up to a 2 Ltr jar
- Fits entire Xtreme heavy-duty blender line
- Made of copolyester Plastic
- Comes with a rubber jar pad
- Ergonomic handle for easy open/close
- Made in USA
