Complete water filter kit for use with mains fed water coolers.

Kit contains a saddle valve, waterblock, fitting, shut off valve, 2 meters of 1/4" blue tubing, filter and head.

- Filter reduces chlorine, improving the taste and odour of the water.
- Includes relevant fittings and tubing to attach the subsequent components to the machine outlet.
- Filters out dirt and particles as small as 1 micron.
- Slows Growth of Limescale
