Borrello's Metal and Wicker Rattan Effect Stacking Outdoor Chair in Brown is an ideal outdoor / indoor stackable side chair that combines an elegant wicker look with a sturdy aluminium frame that will hold up well and look great at any bar, bistro, garden or outdoor venue.

The brown coloured synthetic wicker is more durable and easier to maintain than actual wicker because it won't wear out or fade as quickly. This is especially useful for outdoor use when the chairs are exposed to bright sun or light rain showers.
