Perfect for busy operations that are tight on space, this Blaze BG36 910mm wide countertop gas griddle easily adds compact convenience to your kitchen.

If you need a high-quality griddle, but don't have much space for new equipment in your kitchen, then this Blaze unit is a great fit. Using a total of 90,000 BTU for operation, the unit features easy-to-use, independent controls to manipulate its 3 burners which makes it ideal for whipping up burgers, pancakes, grilled cheese, and other delicious dishes. For quality performance, the griddle surface is 3/4" thick, ensuring the quick recovery and convenient heat retention that your bustling operation needs.

Size
