Perfect for busy operations that are tight on space, this Blaze 6 burner countertop gas range easily adds compact convenience to your kitchen.

Reliable and easy to use, this countertop range is just what your business needs to whip up sauces, glazes, sides, and other tasty dishes. It's engineered with a total of 6 burners that are operational with independent large knobs on the front panel. A stainless steel exterior and removable waste tray make cleaning easy, while its natural gas connection makes it easy to accommodate in virtually any space.
