The low pressure 300W jacketed quartz lamp increases food safety by helping to prevent glass from falling into food, this is essential for food display in restaurants and takeaway establishments.

Its push in feature makes it incredibly easy to fit or replace, and it benefits from a 5000 hour lifespan.

- Approx 5000hr life
- R7 fitting
- Push in fit, easy to replace
- 300W
- Jacketed to increase food safety
- 220(L) x 20mm
