The Multivac Professional Vacuum Pack Machine C100 is specifically designed for use alongside Waterbaths and Sous Vide machines, a feature evident in the double seam and severe closure it produces.

This not only seals the vacuum pack bag, but also prevents contamination whilst submerged.

Size

Unit	Height	Width	Depth
Mm	330	400	500
Cm	33	40	50
Inches (approx)	12	15	19
