The Multivac Professional Vacuum Pack Machine C200 is specifically designed for use alongside waterbaths and sous vide machines, a feature evident in the double seam and incredibly strong closure it produces.

This not only seals the vacuum pack bag, but also prevents contamination or leakage whilst submerged.

Size

Unit	Height	Width	Depth
Mm	340	560	520
Cm	34	56	52
Inches (approx)	13	22	20
