The iconic two-pronged chip fork design has been a staple in fish and chip shops for many years.

Created as a cost-effective disposable fork, this nostalgic piece is both stylish and economically responsible.

- The wooden material means these forks will biodegrade quickly and without damaging the environment
- This wooden material is also highly renewable and sustainable
- Features a strong, smooth construction
- ISO 9001-2000 UKAS
- 95(L)mm (3 3/4")
- Material : Birch Wood
