The versatile ultralight Staging Package from Gopak allows you to create strong platforms, staging and catwalks for music and fashion events, halls, conferences, wedding venues and much more.

Whether you need the ideal staging configuration for band practice, drama classes, or live musicians at your venue, adjust this package to your needs by arranging individual components differently to suit each unique event.

Size

Unit	Height	Width	Depth
Mm	430	4000	2000
Cm	43	400	200
Inches (approx)	16	157	78

- Hassle-free setup - it couldnt be simpler - an expanding aluminium base and a lightweight staging platform that are quickly and easily assembled by one person
- Lightweight but strong - easy to transport and store. The largest base unit folds to less than 2 of its open size
- Fast and Efficient - The unique folding Aluminium tubed base opens and closes in seconds. The location of platforms is quick and simple, requiring minimum time and resources to assemble and disassemble
- Direct delivery in 10 days
- Tested to 1000kg per square metre for even load distribution
- TUV Certification
- Easily customisable - configure staging components to your preference
- Material : Aluminium
