The flexible ultralight Staging Package from Gopak allows you to create strong and sturdy platforms, staging and catwalks for a wide range of ceremonies and events from music and fashion to conferences, weddings, corporate parties and much more.

If you need the ideal staging configuration for rehearsals, classes, seminars, live music or comedy at your venue, you can adapt this package to suit your needs by simply arranging staging components to suit each specific event.

Size			
Unit	Height	Width	Depth
Mm	630	5000	3000
Cm	63	500	300
Inches (approx)	24	196	118

- Hassle-free setup - it couldnt be simpler - an expanding aluminium base and a lightweight staging platform that are quickly and easily assembled by one person
- Lightweight but strong - easy to transport and store. The largest base unit folds to less than 2 of its open size
- Fast and Efficient - The unique folding Aluminium tubed base opens and closes in seconds. The location of platforms is quick and simple, requiring minimum time and resources to assemble and disassemble
- Direct delivery in 10 days
- Tested to 1000kg per square metre for even load distribution
- TUV Certification
- Easily customisable - configure staging components to your preference
- Material : Aluminium
