Add convenient bulk storage for your cafe, restaurant, or deli with this Gram CF45S commercial chest freezer.

This commercial chest freezer gives you 504 litres of space so you can store a wide variety of frozen food product in your establishment. The unit reliably maintains temperatures between -14 to -22C, so you can safely hold anything from meat and vegetables to bread and french fries. The white exterior and stainless steel lid are durable, sleek, and extremely simple to clean, while manual defrost and temperature controls make operation simple! This unit requires a 13 amp plug socket connection for operation.
