Notes :

- Please check door entry sizes before ordering.
- Delivery is made to kerbside only.
- Drivers do not unpack or position goods.
- A 25% restocking charge will apply for all returned goods.

This is a tough dishwasher detergent which is suitable for use in both hard and soft water conditions, removing heavy staining and hardened protein deposits from crockery, cutlery and stainless steel.

The grease-stripping Jantex formula is also supplied in a translucent container, helping you to monitor usage and the remaining levels to restock in advance.
