This 5 litre container of Jantex floor polisher is best used after using the Jantex Floor Finish Stripper, in order to enjoy a highly-polished, non-slip surface for dining rooms, reception halls and service areas where high standards of presentation are required.

The formula can be used on all types of water-resistant flooring often found in bars, restaurants and cafes.

Size

Unit	Height	Width	Depth
Mm	275	190	130
