 - A 25% restocking charge will apply for all returned goods.

Control the exact holding temperature of your chocolate with this specifically tailored chocolate melter from JM Posner.

Heat is generated by an electrical pad in the interior which is then controlled by a manual thermostat on the device, meaning you can tailor the temperature to the type of chocolate you are using.

Size

Unit	Height	Width	Depth
Mm	134	230	260
Cm	13.4	23	26
Inches (approx)	5	9	10
