Notes :

- Please check door entry sizes before ordering.
- Delivery is made to kerbside only.
- Drivers do not unpack or position goods.
- A 25% restocking charge will apply for all returned goods.

This ergonomically designed Jantex bin easily fits into tight and hard-to-reach spaces, and features a raised lip on its rim making it quick and simple to fit bin bags, and ensuring that they stay in place until they are replaced.

This hard wearing, easy to clean bin is perfect for bars, restaurants and hotels and conforms to a revised waste management solution in many companies which now divide wet and dry waste, as beige and black colours are recommended for this separation.
