Combining sustainability and practicality, these 1oz Vegware compostable cold portion pots are perfect for use in any eco-conscious festival, food market or mobile catering environment.

Made from renewable and sustainable plant-based materials, these PLA portion pots are completely compostable and offer a more environmentally friendly alternative to oil-based plastic pots.

- PLA is a compostable, plant-based alternative to standard plastic
- Fully compostable in under 12 weeks in an industrial composting facility
- Environmentally-friendly alternatives to oil-based plastic
- Made with sustainable and eco-friendly plant-based materials
- Emits less carbon during production than traditional plastic alternatives
- Lids available separately (Product Code: CP395)
- Perfect for small portions or dips
- 13(H) x 70mm
- Material : PLA
