Combining sustainability and practicality, these 160mm Huhtamaki compostable moulded fibre bowls are perfect for any green-minded party, buffet or festival.

Made from recycled fibre, these bowls are both kind to the environment and fully compostable when sent to an industrial composting facility.

- Will compost within 12 weeks in a commercial composting facility
- Certified compostable under the EN 13432 standards
- Eco-friendly alternatives to standard paper or plastic disposable plates
- Made from highly renewable recycled paper cup cuttings
- Strong yet lightweight
- Microwave safe
- 160mm
- Material : Paper
