Perfect for front of house self-service breakfast use, the Roband ST500A Sycloid toaster makes great toast, fast.

Able to make up to 500 slices of toast every hour, the Roband is suitable for the busiest catering environments.

Size

Unit	Height	Width	Depth
Mm	421	412	596
Cm	42.1	41.2	59.6
Inches (approx)	16	16	23

- 500 slices per hour
- Optimised to handle bread up to 20mm thickness and will accommodate slices up to 30mm
- Designed with "cool to touch" safe external temperatures and lid locking latch
- Automatic power-save mode conserves energy during quiet periods by scaling back energy consumption
- Intelligent auto-sense feature detects when a new slice is placed in the machine and automatically prepares the machine to toast the bread
- User-friendly speed controller allows adjustment of the toasting time to account for different types of bread to be toasted
- Diners can easily see when their toast is ready from across the buffet
- Wide opening of the bay allows easy access to toast
- Slide-out crumb tray for every-day cleaning
- Hinged top cover allowing easy access to clean the inside
- Cooking area Double slice
- Power Type : 642
- Power Supply : 613
