Ideal for cold salads, desserts and deli goods, these 17oz Vegware compostable PLA hinged-lid deli containers give you a functional and sustainable alternative to oil-based plastic containers at a reasonable price.

Made from plant-based PLA, these containers are completely compostable and emit less carbon during production than traditional plastic packaging.

Size

Unit	Height	Width	Depth
Mm	57	146	130
Cm	5.7	14.6	13
Inches (approx)	2	5	5

- PLA is a compostable, plant-based alternative to plastic
- Fully compostable in under 12 weeks in an industrial composting facility
- Environmentally-friendly alternative to plastic
- Made with sustainable and renewable plant-based materials
- Emits less carbon during production than plastic alternatives
- Hinged lid for easy serving
- Perfect for cold salads, desserts and deli treats
- As lightweight and strong as their plastic counterparts
- Material : PLA
