Cook made-to-order burgers and steaks using this Blaze CRB36, 910mm gas countertop chargrill!

Featuring 3 independently controlled burners, you can cook separate orders simultaneously on the large cooking surface. Built to last, this charbroiler brings versatility and convenience to your kitchen. Plus, its countertop size is great for virtually any operation, maximizing the space you have to help increase output. As an added benefit, it comes ready to connect to a natural gas supply.
