Keep all your essential ingredients and prep items nearby with this King CRISTAL313 refrigerated countertop prep unit!

If you need a prep station for your restaurant or cafe, this prep topping unit is a great choice! It offers the cold storage area you need for your ingredients but can be placed on your own countertop. It's perfect for storing items such as sliced tomatoes, cheese, relish, onions, and lettuce, this unit increases the ease of prep work. It ensures the pizza and sandwich toppings, or salad ingredients are kept at the appropriate temperature but still close at hand.
