Made from an extremely durable carbon steel that offers even heat distribution and impressive longevity, this 25cm quiche tin from Master Class helps you to bake delicious flans, tarts and quiches with ease.

A fluted design gives a crispy crust to the quiche and a loose base to make removing the food simple.

- Dishwasher, oven, fridge and freezer safe
- Quantum 2 non-stick coating
- Perforated holes
- Loose base
- BPA free
- 30(H) x 250mm
- Material : Carbon Steel
