This unusually wide and squat tumbler from Utopia is the smallest in a range of tumblers from the fully toughened Tubo tumbler collection.

A perfect, reasonably sized rock glass, or perfect as a breakfast juice glass, this well proportioned yet small tumbler suits hotels and restaurants which need their glassware to last without sustaining damage.

- Fully toughened
- Resistant to impact damage
- Breaks into small pieces to prevent lacerations
- Dishwasher safe
- 61(H) x 83mm
- Material : Glass
- Capacity : 7oz / 220ml
