Compact, powerful and highly advanced, the three phase Menumaster Xpress IQ MRX high speed oven produces excellent results much faster than comparable sized cooking machines.

A highly efficient oven, the MRX combines the speed of microwave cooking with forced air convection, meaning food is left piping hot and as crispy as your customers expect.

Size

Unit	Height	Width	Depth
Mm	618	714	794
Cm	61.8	71.4	79.4
Inches (approx)	24	28	31
