These excellent gloss white bowls are manufactured by Churchill out of solid melamine and are suitable for dishwashing and perfect for serving sharing quantities of salads and other cold foods.

Enjoy Churchills excellent quality without the breakage risks associated with ceramic crockery thanks to the excellent physical shock resistance of these bowls, which make a welcome addition at the busiest buffets.

- Extremely strong and hardwearing melamine
- Contemporary shape
- Dishwasher safe
- Available in white (CT763) and granite (CT764)
- Perfect for sharing salads at buffets
- 380mm
- Material : Melamine
