  - A 25% restocking charge will apply for all returned goods.

Set a space for customers to browse your ambient food and drink on this Designline Drop In Ambient Gantry, a gastronorm compatible worktop display.

Diffused lighting is housed and modified in the overhead gantry to optimise the potential for impulse buys amongst queuing customers, whilst the addition of a toughened glass sneeze screen majorly reduced any risk of contamination from guests.

Size			
Unit	Height	Width	Depth
