Comfortably chill and present your finest chilled food through a Designline Drop In Cold Island Well, an energy efficient cooling display unit ideal for self service establishments.

Utilising hydrocarbon refrigerant that cuts both running costs and environmental waste, the cold island well operates 24 hours a day as standard and controls its internal temperature through an eye level digital control panel.

Size			
Unit	Height	Width	Depth
Mm	535	1175	660
Cm	53.5	117.5	66
Inches (approx)	21	46	25
