- A 25% restocking charge will apply for all returned goods.

A multipurpose merchandising tool, this Designline Cold Multi Level Deli utilises an inviting elliptical display to attractively yet efficiently promote both chilled and ambient supplies.

Functioning 24 hours a day, the overhead gantry provides diffused lighting over the chilled well whilst also housing the energy efficient hydrocarbon condenser, which allows the multi level deli to operate at lower costs and with less environmental waste than most other chilled display units.

Size			
Unit	Height	Width	Depth
Mm	695	1175	784
Cm	69.5	117.5	78.4
Inches (approx)	27	46	30

- RefrigerantR290
- Curved display in bright polished steel and aluminium profile
- The 3/1 Gn well display area is chilled by energy efficient hydrocarbon refrigerant (r290)
- Gantry fitted with curved full height toughened glass sneeze screen and side glass for food protection. Glass tilts forward in a locking hinge for ease of cleaning
- Assisted service application
- Features eye level gantry mounted digital temperature display & control panel (to operator side of display)
- 24 hour operation as standard
- Product illumination is provided from diffused lighting within the gantry
- Two additional ambient glass mid shelves provide additional merchandising space above the cold display area
- Curved glass profile is designed to complement other units within the Designline range
- Ventilation grills and installation lifting kit are supplied with the display, together with a 2m lead for connection to a single 13 amp socket
- Material : Curved Toughened Glass, Stainless Steel and Aluminium
- Capacity : 3 x 1/1 GN
