Holding an impressive 4/1 GN worth of chilled food alone, the Designline Drop In Cold Multi Level Deli combines its cool well area with two ambient shelves to expand your merchandising prospects.

Using energy efficient hydrocarbon refrigerant, the deli functions cost-effectively and with less environmental waste than standard refrigeration models.

Size

Unit	Height	Width	Depth
Mm	695	1525	784
Cm	69.5	152.5	78.4
Inches (approx)	27	60	30

- Refrigerant R290
- Curved display in bright polished steel and aluminium profile
- The 4/1 Gn well display area is chilled by energy efficient hydrocarbon refrigerant (R290)
- Gantry fitted with curved full height toughened glass sneeze screen and side glass for food protection. Glass tilts forward in a locking hinge for ease of cleaning
- Assisted service application
- Features eye level gantry mounted digital temperature display & control panel (to operator side of display)
- 24 hour operation as standard
- Product illumination is provided from diffused lighting within the gantry
- Two additional ambient glass mid shelves provide additional merchandising space above the cold display area
- Curved glass profile is designed to complement other units within the Designline range
- Ventilation grills and installation lifting kit are supplied with the display, together with a 2m lead for connection to a single 13 amp socket
- Material : Curved Toughened Glass, Stainless Steel and Aluminium
- Capacity : 4x 1/1 GN
