 - A 25% restocking charge will apply for all returned goods.

With multiple layers to display snacks, sandwiches and drinks, this Drop In Multi Level Gantry from Kubus is robustly constructed to provide further food options throughout the day.

A useful addition in heated buffets or staff canteens where a varied selection of produce is expected, this display base makes efficient use of limited space by adding two toughened glass shelves to maximise the amount of food and drink for viewing.

Size			
Unit	Height	Width	Depth
