Supply customers with round-the-clock chilled produce through this highly proficient Cold Multi Level Deli from Kubus, a resourceful drop in refrigeration model.

Two glass shelves centred in the display assist the 3/1 gastronorm basin below, which is all cooled through an eco-friendly hydrocarbon condenser housed underneath the illuminated gantry.

Size

Unit	Height	Width	Depth
Mm	700	1175	784
Cm	70	117.5	78.4
Inches (approx)	27	46	30

- RefrigerantR290
- Rectangular gantry in bright polished steel, powder coated black gantry side panels and aluminium profile
- The 3/1 GN well display area is chilled by energy efficient hydrocarbon refrigerant (r290)
- Gantry fitted with flat full height toughened glass sneeze screen and side glass for food protection. Glass tilts forward in a locking hinge for ease of cleaning
- Assisted service application
- Features eye level gantry mounted digital temperature display & control panel (to operator side of display)
- 24 hour operation as standard
- Product illumination is provided from diffused lighting within the gantry
- Two additional ambient glass mid shelves provide additional merchandising space above the cold display area
- Flat glass profile is designed to complement other units within the Kubus range
- Ventilation grills and installation lifting kit are supplied with the display, together with a 2m lead for connection to a single 13 amp socket
- Material : Stainless Steel & Aluminium
- Capacity : 3 x 1/1 GN
