This Kubus Multi Level Deli supplies refrigerated products through an 4/1 Gastronorm compatible well and two toughened overhead glass shelves, doubling this cold island refrigeration unit as a self-service merchandiser as well as a reliable source of chilled storage.

With a flexible application, this Kubus model is suited to anything from pies and pastries to pasta, cakes and fruits, making it apt for large scale businesses such as hotel dining areas, holiday canteens and other establishments with a regular and constant flow of customers.

Size

Unit	Height	Width	Depth
