Attract your customers to a sea of quick impulse buys using the Designline Drop In Cold Multideck, a modern elliptically designed chilled merchandiser for products ranging from canned drinks to cakes, pastries and cooked meats.

The 4/1 GN drop in and its three adjustable chilled shelves are cooled by hydrocarbon refrigeration that will lessen your running costs and the environmental waste it produces.

Size

Unit	Height	Width	Depth
Mm	750	1525	735
Cm	75	152.5	73.5
Inches (approx)	29	60	28
