- Drivers do not unpack or position goods.
- A 25% restocking charge will apply for all returned goods.

This kit contains stainless steel frames and two sets of rails designed for use with the Cambro Cambox front loader carrier, providing more flexibility to adjust and create custom space between the rails.

Building your own configuration allows you to transport items of different sizes, and help maximise your food transport storage space.

Size

Unit	Height	Width	Depth
Mm	45	620	60
Cm	4.5	62	6
Inches (approx)	1	24	2

- Stainless steel frames and 2 sets of rails are designed to offer the operator the flexibility to adjust and create custom spaces as needed in-between the rails
- Create custom spaces to suit your transport and storage needs
- Material : Stainless Steel
