Notes :

- Please check door entry sizes before ordering.
- Delivery is made to kerbside only.
- Drivers do not unpack or position goods.
- A 25% restocking charge will apply for all returned goods.

This kit contains stainless steel frames and two sets of rails designed for use with the Cambro Cambox front loader carrier, providing more flexibility to adjust and create custom space between the rails.

Building your own configuration allows you to transport items of different sizes, and help maximise your food transport storage space.

Size

Unit	Height	Width	Depth
Mm	30	580	600
Cm	3	58	60
Inches (approx)	1	22	23

- Kit of 2 adjustable stainless steel rails for transporting more items within the same carrier
