The Schneider 350mm 24 wire whisk is heat resistant up to 200 degrees Celsius and is dishwasher-proof, making it a robust example of kitchenware that is easy to clean.

The thermoplastic handle gives it impact resistance whilst making it comfortable to grip, meaning no wasted energy whilst thickening sauces and whipping cream.

- Handle with hook
- Heat resistant up to 200°C
- Dishwasher-proof
- Wire thickness 1.6 mm
- 24 wires
- 75(W) x 360(L)mm
- Material : Stainless Steel & Polypropylene
