- A 25% restocking charge will apply for all returned goods.

This black rectangular tissue holder is ideal for use on reception or in bathrooms, cloakrooms and waiting rooms, with an attractive shiny black finish which instantly transforms a tissues container into a striking furnishing which your guests will love.

The holder is not just for show though, as it prevents moisture from getting near the tissues, stopping the spread of germs and making sure that your guests have access to clean tissues as required.

Size
