This Cambro high heat 1/2 GN cover with handle is designed to support HACCP guidelines and offer operators a variety of options to help preserve product freshness, flavour and quality from the point of storage, holding and serving.

The high heat lid is ideally suited to use in microwaves, steam tables, ovens and hot holding units due to its wide temperature range.

- Dimensions 265(W) x 325(D) mm
- Use to cover food pan contents and reduce risk of cross contamination
- Withstand and adapt to different temperatures cold to hot from -40 to 190C
- Amber Translucent color allows adequate visibility for inventory management
- .
- Material : Plastic
