When cutlery piles up, this Winterhalter Utensil Washer with cold fill functionality has an Output that guarantees your customers dont go without, with a maximum of 40 racks being washed per hour.

Capable of washing even larger utensils including gastronorm pans, the washer covers every inch of its wash chamber thanks to innovative reversible wash cycles that filter water from both above and below.

Size

Unit	Height	Width	Depth
Mm	1720	775	870
Cm	172	77.5	87
