Improve the green footprint of your business with this pack of 250 x black Fiesta Green biodegradable paper straws.

Made entirely from sustainably-sourced paper, these straws are completely biodegradable.

- Made from sustainably-sourced paper
- Made using biodegradable food-grade ink and glue
- The biodegradable materials mean these straws will safely break down into the earth over a reasonable amount of time
- Environmentally-friendly alternatives to traditional plastic straws
- Emits less carbon during production than standard plastic alternatives
- Designed to resist softening in your beverages
- Substantial 210mm length perfect for reaching into deep drinks
- 6mm bore
- Material : Paper
