Become more sustainable in your operation with this pack of 250 x red striped Fiesta Green biodegradable paper straws.

Made from sustainably-sourced paper, these straws are completely biodegradable, meaning they will break down naturally when disposed of.

- Made from sustainably-sourced paper
- Made using biodegradable food-grade ink and glue
- The biodegradable materials mean the straws will break down into the earth quickly and safely
- Eco-friendly alternatives to standard plastic straws
- Emits less carbon during production than standard plastic alternatives
- Designed to resist softening in beverages
- Substantial 210mm length perfect for reaching into deep drinks
- Stylish red-striped design
- 6mm bore
- Material : Paper
