The solid stainless steel construction, coupled with an exceptional balance, makes this Kings steak knife a great choice for restaurants and bars that take steak seriously.

A serrated blade ensures your customers can easily glide through even the largest of steaks and, because of the serration, it will stay sharp for far longer than a smooth edged blade.

- High polish finish
- Regency crest design on handle
- 240(L)mm
- Material : 18/10 Stainless Steel
