Made to aid with teaching young children to use full sized metal cutlery.

This polycarbonate spoon is the size of a regular spoon yet is lighter, making it easier to use while the plastic is softer than stainless steel so it wont damage developing teeth.

- Dishwasher and freezer safe
- Can be sterilised or autoclaved
- Suitable for microwave reheating
- Avoid direct heat
- Suitable for Temperatures -40°C to 100°C
- 170(L)mm
- Material : Polycarbonate
