From succulent steaks to mouth-watering chicken breasts and juicy joints of gammon, the Vogue square ribbed skillet helps you to get the perfect results with ease.

The pan features a non-stick coating that allows ingredients to be easily moved from pan to plate, as well as making the skillet simple to clean, saving you time and money by reducing cleaning time and ensuring the pan has superior longevity. A ribbed design and pouring spout ensures oil and fat is drained away from the meats without being reabsorbed, helping you to cook healthier meals without losing taste.
