Carry food and drink with confidence using this 355mm black Cambro fibreglass round non-slip tray.

Featuring a non-slip rubber surface, the tray stops your crockery and glassware from sliding when carrying, helping to prevent costly spills and accidents.

- Heavy duty with a durable rubber surface
- Fibreglass construction makes the tray lightweight and easy to carry
- Non-slip surface prevents sliding - even when wet
- Heat resistant between -10°C and 100°C: great for both hot and cold glasses
- Dishwasher safe: can be washed quickly and easily
- Strong construction prevents flexing when loading heavy items
- Sold Singly
- 22(H) x 355mm
- Material : Fibreglass and Rubber
